

Think Family Allergies Workshop

Friday 24 June
1.30pm to 3.00pm
Cherry Tree Primary School
Hardy Road, Lymm WA13 0NX

Food Allergies ... Anaphylaxis ... Eczema ... Asthma ... Allergy First Aid

Allergy Awareness: Skin, Food, Respiratory

The next 'Think Family' information event will be a shorter afternoon workshop on Allergies. This follows and supports the collaborative allergy awareness work done this term with Cherry Tree and Ravenbank primary schools.

Quick, clear facts and practical advice from key allergy support organisations and open to all members of the community, not just school parents.

Young children may accompany adults without charge if needed.

Colony Community is a non-profit making community initiative run by local mum Kirsty James, who is currently seeking sponsorship and funding to provide community and parental engagement events that offer information and support on family wellbeing issues.

Event Programme includes talks, videos & information from:

- Anaphylaxis Campaign
- National Eczema Society
- Asthma UK
- Allergy UK
- Allergy First Aid

Book now for more info and support on allergies.

Just £5. Online registration via Facebook or at:
